# Develop Essential VCE Skills with

## A Deeper Knowledge of Examinable Areas

You will be instructed by leading VCE teachers on the specific knowledge requirements that are set out by the VCAA Study Design for each subject.

## A Practical Understanding of the Types of Questions Officially Examined by the VCAA

Through the completion of an extensive range examination style questions, you will gain a solid understanding of the types of questions that will be examined. This is a critical part of successful exam preparation.

## Greater Self Confidence

By developing greater self confidence in each subject area, you will become more confident and positive about your examinations.

## Accuracy and Speed

Develop accuracy and speed through exposure to all types of examination style questions, and being shown how to accurately construct your responses by VCE teachers who mark the exams.

## Effective Examination Techniques

You will develop the enhanced examination techniques that are used by elite A+ students. These techniques are proven to maximise your ATAR.

## Powerful Study Habits

Learn effective study habits that will improve the efficiency of your study time, and help you through VCE and beyond.

## September Holiday Exam Preparation Program - 9 hours

Held between September 20th and October 5th 2025, our September Holiday exam preparation program helps you thoroughly review all key areas of study as outlined in the VCAA Study Design for each subject prior to the exam rush.

Direct emphasis is placed on detailed content review and probable exam questions. Experienced VCE assessors will provide hints, tricks and exam strategies for maximising ATAR scores.

### Key features of this program:

- 9 hours of detailed content review for each subject
- Emphasis is placed on learning and reviewing examinable content.
- Each student receives a set of bound, comprehensive revision notes, written to an A+ level
- All students will solve an extensive range of exam style questions ensuring thorough preparation for the examinations
- Each student is presented with at least 80 exam-style questions, with solutions provided upon completion of the program
- Available for Unit 2 and Units 3 & 4 subjects
- We allocate regular break time to a maximum of 90 minutes per subject, enabling students to stay focused and fresh
- An additional option for Mathematics students to attend a 3 hour Calculator Mastery Session. See below for details.

Students attending the Unit 4 September Holiday English program must attend the Analysing argument session, one 'Framework of Ideas' revision, plus one text revision. This structure has been adopted as it covers all the examination requirements for English. Students may select additional texts to attend.

## ADDITIONAL SUBJECT SPECIFIC MATHS & SCIENCE APPLICATIONS & EXTENSION QUESTIONS CLASSES (9 HRS PER SUBJECT)

In addition to the September Holiday Program these classes offer students the benefit of specific instruction on the most critical, difficult and highly probable applications and extension questions that are essential for achieving the elite scores for each subject.

During these classes, our expert teachers will breakdown each question to show students where the exam marks are given, ensuring that students are provided with every opportunity to understand the VCAA marking schemes and requirements for each question. This will enable students to obtain every possible mark during their examinations that may otherwise be missed. This program is available for Units 3 & 4:

- Biology
- Chemistry
- Mathematical Methods
- Physics
- Specialist Mathematics

**Duration:** 9 hrs per subject. **Investment:** \$159.

**Special Offer:** Take the Additional Maths & Science Applications & Extensions Questions Class for only \$119 when you enrol in a corresponding subject for the September Holiday Program.

**Please note:** This program will not cover a full content revision and as such should not be done on its own. Students are advised to attend the September Holiday Program for their specific subject also to obtain a full content revision.

## CALCULATOR MASTERY SESSIONS

Learn the essential calculator techniques that you will need for semester two Maths Methods, and Specialist Maths in our Calculator Mastery Sessions. Both sessions are open to year 11 and 12 students:

**Session 1:** TI N-Spire (CAS) Calculator Mastery. **Duration:** 3 hrs. **Investment:** \$69.

**Session 2:** Casio ClassPad (CAS) Calculator Mastery. **Duration:** 3 hrs. **Investment:** \$69

**Special Offer:** Enrol in Maths Methods or Specialist Maths and take one of the calculator mastery sessions for only \$45!

## End-of-Year Revision Program - 10 hours or 6.5 hours

Conveniently scheduled between October 11th and 25th 2025 and just a couple of weeks before the final exams, the End-of Year revision program provides that all-important last opportunity to ask questions and clarify key examinable areas.

This program provides students with a detailed revision of all examinable subject content leading up to the end-of-year exams. As part of the emphasis of this program, each student will acquire up to the minute tricks, hints and strategies on how to blitz the final exams from experienced VCE assessors.

### Key features of this program:

- 10 hours of revision for the Biology, Chemistry, English, General Mathematics, Mathematical Methods, Physics, Psychology & Specialist Mathematics
- 6.5 hours of revision for the Melbourne programs to All Other Subjects
- Exam tricks, hints and strategies from experienced VCE assessors
- Common exam errors exposed!
- Each student receives a set of bound, comprehensive revision notes, written to an A+ level
- Access the TSSM '50 question quiz' which helps you identify, isolate, and improve your study weaknesses in each subject
- Conquer the Exams - Strategies for Exam Success Seminar, complimentary with every End-of-Year Revision subject enrolment
- Each student will be given a trial examination paper with every subject (two for the mathematics subjects)
- Regular breaks are scheduled throughout the day for each subject, keeping students fresh and eager to learn.

## CONQUER THE EXAMS - STRATEGIES FOR SUCCESS SEMINAR

In this 2 hour session you will learn the essential techniques and strategies used by high performing students to achieve elite results in their exams. From high level exam skills and powerful study habits, to how to maximise your time before and during the exam, you too can conquer the exams!

All students are also encouraged to attend the Conquer the Exams strategies for success seminar.

## Our VCE teachers will help you succeed

TSSM's elite teachers are among the best in the State. To give you the best chance of success, each teacher is individually chosen after a thorough interview process and countless recommendations from their colleagues and students. Our teachers are **VCAA Exam Assessors, State Reviewers** and **Published Authors** with an in depth understanding of the specific course and assessment requirements of the VCE.

Our teachers have a knack for simplifying subject content that VCE students find difficult into more understandable and practical forms, helping VCE students optimise their performance in the end-of-year exams.

**For more information about specific teachers for each subject, including complete teacher profiles, visit us online at [www.tssm.com.au](http://www.tssm.com.au) or phone us on 1300 134 518.**

## Exclusive Benefits of attending our VCE Programs
