

“Getting an ATAR of 99.25 has only been possible with the support of these exceptional teachers at TSSM - I am particularly grateful to them for helping me develop a lifelong love for learning, and I admit that this result would have been otherwise out of my reach. My classes at TSSM made this challenging year far more enjoyable and rewarding.”
Haripriya Sridharan.

“I will definitely attend future programs. I have a lot of faith that what I have learned at TSSM will help me greatly with my studies for the rest of the semester.”
Sarah Mort
