Designed with high achievers in mind

Whether attending our Intensive Weekly Tutorial Classes ('Advantage 10+' Classes) or taking advantage of our Professional Private Tuition Service, students will be provided with exam preparation designed for those who are specifically targeting an ATAR of above 90.

Our team of specialist VCE teachers understand the academic demands placed on high achieving students and are dedicated to ensuring that our students achieve their VCE goals.

Each session addresses the finer details of the VCAA Study Design for each subject. Students receive the most in depth exam preparation possible by teachers who have spent thousands of hours helping VCE students.

Weekly classes run for 3 hours per subject and Private Tuition sessions run for 90 minutes per session.

TSSM's Intensive Weekly Tutorial Classes

Small, interactive classes are just the beginning

Program details

Our 'Advantage 10+' Classes are "Live and Online" highly specialised workshops that prepare students for elite A+ VCE scores. Students attend TSSM tutorials "Live and Online" on a weekly basis, in addition to their regular classes at school. All tutorials are held outside school hours, both after school and on weekends. As part of our interactive tutorials students receive:

- Exposure to probable examination questions
- Dedicated question time before and after class
- Detailed tuition on core VCE concepts
- Efficient concept revision that minimises pre-examination workloads and pressures
- Guidance on examination tricks, common student pitfalls and errors
- Interactive teaching by teachers who are VCAA Assessors, that reinforces concepts taught at schools
- Motivation and support
- An unparalleled minimum of 39 hours of tutorial contact time.

PART 1 - 'Maximise your ATAR' - Strategies for success seminar

TSSM has developed a power-packed 7 hour workshop that will equip you with the necessary skills, mindset and strategies to maximise your ATAR.

All students, regardless of their chosen subjects, will attend this seminar together. The techniques you will learn in this seminar are transferable to all subject areas, making students more effective in their studies.

Attendance in this seminar is advised, as it covers:

- Effective time management
- Improved concentration
- Smarter study habits
- A successful study plan
- Enhanced memory development
- The mindset of successful VCE students

Duration: 7 hours in total over one day.

Offering: Offered to all students attending the 'Advantage 10+' Classes.

PART 2 - Weeks 1 to 10: Intensive Subject Specific Exam Preparation Tutorials

Weeks 1 to 10 are designed to help you engage in a detailed and progressive revision of your chosen subject which is designed to help you achieve the **highest possible marks** for your SACs and Examinations.

Our classes usually consist of 8-12 students, which means that you can take advantage of having direct contact with our teachers.

All examinable topics will be addressed systematically, and you will practice examination style questions weekly. Throughout these 10 weeks, you will acquire:

- A comprehensive understanding of your chosen VCE subject
- A detailed review of the examinable content, ahead of time
- Extensive exam practice
- A+ level revision notes
- Improved self confidence

Teachers will work to the pace and needs of their students. And if this means that we cannot complete the entire course content within the allocated time, **additional classes** will be provided **complimentary**!

Duration: A minimum of 30 hours = 3 hours per week for 10 weeks.

Offering: The 'Advantage 10+' Classes are offered for every subject.

TSSM's 'Advantage 10+' Classes are available for Units 1 & 3 as follows:

UNIT 3 SUBJECTS

- Accounting
- Biology
- Chemistry
- English (including two chosen texts)
- English Language
- Further Mathematics
- Mathematical Methods
- Physics

- Psychology
- Specialist Mathematics

UNIT 1 SUBJECTS

- Chemistry
- Mathematical Methods
- Physics

TSSM's Professional Private Tuition Service is available for Units 1 & 3 for an extensive range of 19 VCE subjects, more subjects than the 'Advantage 10+' Classes! **Please visit us at www.tssm.com.au for full subject range.**

WANT TO ATTEND OUR ADVANTAGE CLASSES PRIVATELY, ONE-ON-ONE? CALL TSSM TODAY!

PART 3 - 'Conquer the Exams' - Strategies for exam success

In this 2 hour seminar you will learn the essential techniques and strategies used by high performing students to achieve elite results in their exams. From high level exam skills and powerful study habits to how to maximise your time before and during the exam, you too can conquer the exams!

Duration: 2 hours.

Offering: Offered to all students attending the 'Advantage 10+' Classes.

Add 'Extension 9' or 'Extension 18' Classes

These classes are designed to review, enhance and refine each student's knowledge and examination skill-set through specific instruction by our expert teachers. After the completion of week 10 of the 'Advantage 10+' Classes, students enrolled in the 'Extension 9' or 'Extension 18' will continue the following:

For the 'Extension 9' Classes:

- One Subject Specific Exam Revision Day;
1. Easter Holiday Exam Preparation Program (9 hrs); and

For the 'Extension 18' Classes:

- One Subject Specific Exam Revision Days;
1. Easter Holiday Exam Preparation Program (9 hrs); and
- Maths and Science Applications & Extension Questions Classes (9 hrs).

NB: Please refer to page 4 of this brochure under "Program Dates & Times" for the Extension options available for each subject.

One Subject Specific Exam Revision Day

1. Easter Holiday Exam Preparation Program - 9 hour Day

Students enrolling in our 'Extension 9' or 'Extension 18' Classes will be eligible to attend our Easter Holiday Exam Preparation Program for the same subject they are enrolled into.

Dates and times will be provided at a later date and in due course.

Maths and Science Applications & Extension Questions Classes (9 hrs)

These classes offer students the benefit of specific instruction on the most critical, **difficult and highly probable applications and extension questions** that are essential for achieving the **elite scores** for each subject.

During these classes, our expert teachers will breakdown each question to show students where the exam marks are given, ensuring that students are provided with every opportunity to understand the VCAA marking schemes and requirements for each question. This will enable students to **obtain every possible mark** during their examinations that may otherwise be missed.

NB: Only offered to students enrolled in Unit 3 Biology, Chemistry, Maths Methods, Physics and Specialist Maths.

"It was a wonderful experience and I am pleased with the materials supplied. The notes helped me a lot with the content."

Our VCE teachers will help you succeed

TSSM's teachers are among the best in the State. To give you the best chance of success, we've ensured that the majority of our teachers are VCAA Exam Assessors, State Reviewers, or Published Authors with an in depth understanding of the specific course and assessment requirements of the VCE.

Our teachers have a knack for simplifying subject content that VCE students find difficult into more understandable and practical forms. This is done through their excellent communication skills and their love for teaching. This in turn helps VCE students optimise their performance in SACs and exams. **For more information about specific teachers for each subject, including complete teacher profiles, visit us online at www.tssm.com.au or phone us on 1300 134 518.**

Maximise your ATAR with essential VCE skills developed through TSSM Programs

A Deeper Knowledge of Examinable Areas

You will be instructed by leading VCE teachers on the specific knowledge requirements that are set out by the VCAA Study Design for each subject.

A Practical Understanding of the Types of Questions Officially Examined by the VCAA

Through regular instruction and the completion of examination style questions, you will gain a solid understanding of the types of questions that will be examined. This is a critical part of successful exam preparation

Accuracy and Speed

You will be given extensive exam practice by completing hundreds of exam style questions under strict time constraints as suggested by the VCAA

Effective Examination Techniques

You will develop the enhanced examination techniques that are used by elite A+ students. These techniques are proven to maximise your ATAR

Problem Solving Strategies for Examinations and SACs

We provide you with a systematic approach to solving complex analytical problems. Complex problems generally carry greater weight in the official VCAA examinations. With our proven problem solving strategies students have been able to obtain perfect study scores for VCE subjects.

Powerful Study Habits

By attending our sessions, you will make preparing for exams a regular habit. This in turn increases your efficiency and optimises your study time.

“I found the program very good as it reinforced what I have been learning in class. I thought the notes were extremely comprehensive and have been using them consistently throughout the year. A great program!”

Stephanie Karagiorgios

“On top of the comprehensive notes, hearing information and study/exam tips in a way that was different from my classroom teachers’ proved a valuable resource in consolidating my knowledge. If you’re looking for a way to achieve your full potential through interactive and proactive learning, you need not look much further than TSSM.”

Conditions of Enrolment:

For Enrolment into TSSM's 'Advantage 10+' Classes Only:

Confirmation of enrolment will be issued by March 6, 2021 and sent by email. TSSM will not accept any responsibility for loss of mail (email). Students who have NOT received their confirmation by March 6, 2021 must contact our head office to confirm their enrolment. The closing date for applications is March 5, 2021. Applications after this date are welcome, but must be made online, in person, by fax or by telephone. Cancellations must be submitted in writing by 5pm February 26, 2021 and will incur a service charge of 10% of the course payment. No refunds will be issued for cancellations made after 5pm February 26, 2021, even if the enrolment and payment is made after 5pm February 26, 2021. No refunds will be issued for cancellations for students who are allocated their second, third, fourth or fifth preference for a particular subject; students should only select the preferences that they are able to attend.

For Enrolment into TSSM's Professional Private Tuition Service Only:

Confirmation of enrolment will be issued within 3 days of allocating a teacher to the student and sent by email. TSSM will not accept any responsibility for loss of mail (email). Students who have NOT received their confirmation must contact our head office to confirm their enrolment. Applications for this service are welcome at any time and must be made online, in person, by fax or by telephone. Cancellations must be submitted in writing by 5pm February 26, 2021 and will incur a service charge of 10% of the total tuition package payment. No refunds will be issued for cancellations made after 5pm February 26, 2021, even if the enrolment and payment is made after 5pm February 26, 2021.

For Enrolment into TSSM's 'Advantage 10+' Classes and/or TSSM's Professional Private Tuition Service:

No refunds will be issued for the Initial Deposit paid or any other payments made under any Periodic Plan Investment option for any cancellations. No refunds will be issued for missed sessions and Periodic Plan Investment applicants are required to pay for all sessions including those they have not attended. In the event of a default by the applicant/parent/legal guardian in payment of fees when due and payable in accordance with the Periodic Plan Schedule detailed in Investment Options at the top of page 4 of the brochure for this program, the applicant/parent/legal guardian shall be responsible for any bank charges, legal costs and/or any recovery agent's commissions incurred in the recovery of such unpaid fees, and upcoming sessions will cease until payments are made even if the amount already paid supersedes the number of sessions attended, and no refunds will be issued for the balance of excess payments made. All students will be attending their sessions 'Live and Online', meaning they will be attending their sessions remotely via TSSM's Online Platform and will not need to travel to a particular venue. All students will only be given access to the subject materials (notes, questions and answers) in PDF format via a printable online portal once confirmation of enrolment is issued and will not be provided with the material in hard copy format. To obtain a hard copy of the materials, students will need to contact TSSM and either collect the hard copy materials or pay a Postage and Handling fee to receive the hard copy materials. All students, upon request, will be given 7 days of access to the recording of their sessions following the completion of each session. The student agrees to adhere to the code of conduct detailed at www.tssm.com.au when attending each session 'Live and Online'. All prices quoted on this brochure are GST inclusive. TSSM reserves the right to alter or revoke the advertised details. **Conditions of our guarantee: Refunds will not be issued under our guarantee if the student has not attended the first session of each subject they are enrolled into. All refund requests under the guarantee will be thoroughly investigated as TSSM values the quality of its programs, and TSSM will determine whether a refund request under the guarantee will be processed, this will be done in good will and without bias. All refund requests to be investigated under the guarantee must be submitted in writing by 5pm March 15, 2021 for TSSM's 'Advantage 10+' Classes and within 5 days of commencement of TSSM's Professional Private Tuition Service for each subject. Any refund request under the guarantee made after this date will not be eligible for a refund or credit.
